NSE ADVISING AGREEMENT

Student’s Name ___________________________ University ID Number ___________________

Major ___________________________ Expected Date of Graduation ___________________

Semester of Exchange: Fall 20____ Spring 20____ Summer 20____

Status During Exchange: _____Sophomore _____Junior _____Senior

Host Institution ____________________________________________________________

1. On the reverse side of this page, list the department, number, title, and credit hours for each course you may take at the host institution as described in the host college catalog. You should select more courses than you plan to take.

2. With the help of your academic adviser, indicate how courses will transfer: as a general education, major elective or major requirement. If the course will be replacing a major course, indicate the Iowa State course that will be replaced. If your adviser is unable to determine transferability, you may request a transfer credit evaluation for up to 15 credit hours. Forms are available at the NSE Office.

3. Course work and credit hours taken on exchange will be recorded on the Iowa State transcript, but grades will not be calculated into the GPA. Courses taken at a campus on a quarter calendar will receive two-thirds the stated hour value. You are responsible for requesting a transcript of course work at the conclusion of exchange and submitting it to the Iowa State NSE Office.

Required signatures:

Academic Adviser ___________________________ (printed name) _________________________ (signature)

Department Chair ___________________________ (Required only when courses at host campus will be substituted for courses in the major at Iowa State.)

I understand that if I register for courses NOT approved herein, I assume the full risk for course transferability.
